# PRICE AND AVAILABILITY LIST OF U.S. GEOLOGICAL SURVEY PUBLICATIONS, 1988

This supplement gives prices of U.S. Geological Survey publications, except informal reports released to the open files and through the National Technical Information Service (NTIS), available through calendar year 1988. Prices of publications issued after 1988 are given in the monthly catalog "New Publications of the U.S. Geological Survey." Publications listed in various U.S. Geological Survey catalogs (annual, State, general interest, and permanents 1879-1961, 1962-70, and 1971-81) but not listed in this supplement are no longer available.

Prices of reports released to the open files (designated in various USGS catalogs by prefix OF and WRI) are given in the listing "U.S. Geological Survey Open-File Reports," updated monthly, which is available in microfiche for \$3.50 from the U.S. Geological Survey, Books and Open-File Reports Section, Federal Center, Box 25425, Denver, CO 80225.

Prices of reports released through the NTIS may be obtained by writing to the National Technical Information Service, U.S. Department of Commerce, Springfield, VA 22161; please include NTIS number preceding each item.

Prices of Government publications are subject to change. Increases in costs make it necessary for the Superintendent of Documents to increase the selling prices of many publications offered. As it is not feasible for the Superintendent of Documents to correct the prices manually in all previous announcements and publications stocked, the prices charged may differ from the prices in the announcements and publications.

All USGS book publications have increased in price. The minimum for any USGS book publication is \$1, with the exception of circulars which are free in limited quantities. This applies to all prices advertised in earlier catalogs or publications.
